Crescent Rolls	\$15.00	Flaky rolled crescents with just a hint of sweetness. The perfect compliment to any special dinner, or even a bowl of soup for one. Choose from white or wheat rolls.
Buchty	\$15.00	These traditional Eastern European style pull-apart rolls are rolled in melted butter then baked close together creating a crusty outer layer that reveals a soft inside when pulled apart. Good as a savory dinner roll or serve with jam for a breakfast delight!
Cinnamon Rolls	\$15.00	Buttery, flaky pastry with a filling of cinnamon, sugar and walnuts rolled up inside and drizzled with a mocha maple glaze. Best served warm, so pop one in the microwave for 10 seconds and it'll taste like it just came out of your oven!
Pecan Sticky Buns	\$20.00	Similar to our Cinnamon Rolls except these are made with tender brioche dough and baked in a thick glaze with cinnamon, pecans and brown sugar that caramelizes as they bake. Oh wow.
